**WHAT HAPPENS WHEN
YOU'RE HEROIC
CUTE AND
YOU CAN FLY?
YOU GET YOUR
OWN COMIC BOOK
MINI-SERIES
THAT'S WHAT!**

Dear Tails
Hey ya cutie the two-tailed fox howz goin? Congratulations on finally getting your own mini-series it's about time I think you deserve it. After all you do so much and get little credit. And if possible could you put this letter along with the enclosed drawing in an issue of your mini-series? Thank you very much!

You're my favorite Freedom Fighter. I love seeing you in Archie's comic books. And I love playing as you when I play Sonic 2 and 3. You are who you has made it easy to explore the many challenging zones and get out of some a tight spots.

Whenever I get a new issue of Sonic the first thing I do is see just how many times you appear in that issue. Especially enjoy reading stories where you are the main character like the ones in numbers 4, 14 and 22. But they're too short that's why I was thrilled to hear about your mini-series.

Well, I hope you can answer some questions for me!
1. How old are you?
2. Do you have any brothers or sisters? And if yes, who?

Welcome to the number one collector's edition comic starring **Sonic The Hedgehog's** number one bud Tails. For the next couple of months you're going to be treated to fast paced action, intriguing mystery and good old-fashioned fun as everyone's favorite two-tailed toxy hero risks it all as he goes solo.

This issue, you witnessed the debut of the **Forty Fathoms Freedom Fighters** and the diabolical **Crockbot**, and caught a glimpse of the **wing dingoes**. Next issue, just wait till you see those crazy dingoes in action and the debut of the **Downunda Freedom Fighters**. And just who is the mysterious stranger who comes to Tails' aid? You'll just have to read Tails #2 'cause I'm not telling!

Scott

See you next month!

P.S. Don't forget--**Sonic # 28 and 29** feature the beginning of Tails' solo adventures in the stories "Growing Pains" parts 1 and 2. In issue #28 you can also witness **Princess Sally** getting **roboticized!** Issue #29 also features the long-awaited return of **Uncle Chuck**. Don't miss the fun!

3. Who are your parents?
 4. What do you think of Sonic?
 5. What do you think of Sally?
 6. What is it like being a Freedom Fighter?
- Hope you like my drawing!

Anxiously awaiting
your first issue,
Warren Rogers
NY

Thanks for the compliments, Warren. And you don't have to worry about my solo stories being too short. Starting with this issue, you have three whole comics devoted to yours truly! As for your questions...

1. 10 years old; 2. Not that I know of; 3. You'll eventually find that out in Sonic's comic book; 4. He's my best friend and the greatest, but right now I'm mad at him; 5. Ditto; 6. Dangerous but exciting!

Dear Tails,

My name is Kristin and I'm fourteen years old and go to Canoga Park High School. I play basketball and softball for my school but I like hockey better. My softball jersey says Tails on it and my number is 02! You are my role model in certain ways (I don't want to be a boy or anything). All my friends and teachers call me Tails--that is what I told them to call me! But my algebra teacher still gets mad at me when I draw you all over my test. That class is so boring! It's like listening to Antoine give a lecture! I have a couple of

questions if you don't mind answering:

1. How come Sega colors you orange and the comic colors you brown?
2. How come you hardly do anything in the comic?
3. Are you related to Starfox?-- Sorry, wrong game system!

Write you later!
Kristin Kerwitz
Tujunga, CA

Stick with the algebra, Kristin--one day you might become as smart as Rotor!

1. Sega wants my comic colors close to those from Sonic's ABC TV show; 2. I'm certainly doing more than all the Freedom Fighters combined in my new mini-series; 3. No way!!

Yo, Sonic,

I was reading my brother's issue #22 and I read a letter by Danny Trested. He asked if Tails would ever get his own mini-series. You wrote: "Who else would want to see Tails in his own mini-series?" Well...guess what? I would! I love Tails! He's my favorite character--after you, of course. And one question: Have you ever thought about having a Sonic movie? See you in the next issue!

Anne Elrod
Rochester, NY

Your wish is my command, Anne! Poof! In your hands right now is the very first issue of my very own mini-series! Yeeha!
